Today's song: All Hail to Rotary (Tune: "Anchors Aweigh")

All hail to Rotary! Steadfast and strong. We'll strive to hold our course  
Though days seem dark and things go wrong.

Service in all we do. Friends ever free,  
Until we meet once more, Here's health to all our friends in Rotary!

**Happy hat last week: \$101.00. Wow! Thank you for your generosity!**

***Last week's speaker: Mike Freeman, Hennepin District Attorney.*** Mike shared his efforts to reduce truancy in elementary school children. The efforts have been beneficial in the reduced rate of juvenile crime. He detailed some of the lessons learned such as the need for a simple alarm clock to reminding parents how important it is for the children to attend school—and the fact that the school and the police are watching when children are not in school.

***"Of the things we think, say or do:***

***Is it the truth?***

***It is fair to all concerned?***

***Will it build goodwill and better friendships?***

***Will it be beneficial to all concerned?***
